Dear Mr. DiBello:

Thank you for participating in the fifth annual Business Appreciation Week (BAW) Ambassador Team visits on May 4, 2010. The purpose of BAW is to celebrate local businesses – recognizing your contributions to the local economy, your business success and, more importantly, identifying any issues you may have that impact your business operations.

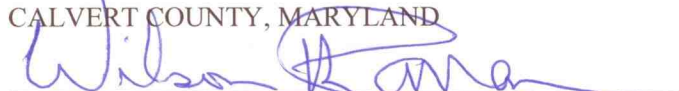

Please know that our communication with American Property Consultants, Inc. does not end with the site visit and this communication. The Department of Economic Development provides many resources to the Calvert County business community on behalf of the Board of County Commissioners (BOCC) and strives to offer opportunities to expand and grow our local businesses. As with all of our business retention efforts, the department will track and monitor those issues that are affecting our business community and report continued themes to the BOCC. Based on our visit with you, and additional information received during the 14 business visits conducted on May 4, we hope to better understand what additional opportunities or changes are needed to enhance our business retention program.

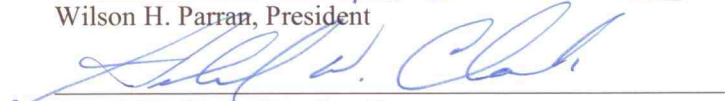

Within the next few weeks you will be contacted by the Director of Economic Development, Linda Vassallo, to follow up with items specific to your business. If you have questions or additional comments, please feel free to contact Ms. Vassallo on 410.535.4583 or via e-mail at vassalls@co.cal.md.us.

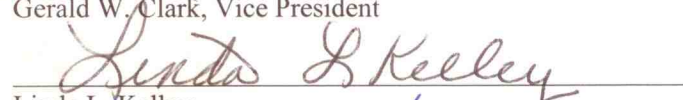

Thank you once again for participating in the BAW Ambassador Team visits and for choosing Calvert County as a home for your business.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
